

Surround Speaker

WS-24

To the eye, the WS-24 surround speaker reflects a classic approach, featuring a furniture-grade wood veneer cabinet available in an espresso or a cabernet finish. But to the ear, there is nothing traditional about it.

The WS-24 surround speaker employs two premium titanium diaphragm compression drivers and two high-output fiberglass cone woofers. But what really makes this unobtrusive speaker superior is an all-new patent-pending Tractrix® Horn-loaded tweeter with XT technology. For over 60 years, horns have been the driving force behind our stunningly precise sound; this latest design moves us farther ahead by allowing the WS-24 to deliver an extremely smooth response with constant directivity.

Furthermore, our exclusive Wide Dispersion Surround Technology, or WDST, allows the WS-24 to create a smooth, high dispersion pattern, providing crystal-clear sonic detail even in listening areas with less than ideal configurations. So, no matter where you sit, this speaker promises to draw you into the middle of the action.

Overall, the entire Icon W Series brings our sound mantra—power, detail and emotion—to a new generation of audio enthusiasts who demand aesthetically pleasing products that deliver outstanding sonic performance.

- Patent-pending XT Tractrix® Horn technology
- Exclusive Wide Dispersion Surround Technology
- Titanium tweeters create precise high frequencies
- High-output woofers generate hard-hitting lows
- Key hole brackets for wall mount applications
- Espresso or cabernet wood veneer finish

SPECIFICATIONS

| | |
|-------------------------|---|
| frequency response | 93Hz-20kHz +/-3dB |
| low frequency extension | 82Hz |
| power handling | 75 W @ 8 ohms |
| sensitivity | 91dB |
| nominal impedance | 8 Ohms |
| crossover frequency | 2700Hz |
| high frequency drivers | Dual 1" (2.5cm) Titanium diaphragm compression drivers mated to a 3.75" 80 °x80° Tractrix® Horn |
| low frequency drivers | Dual 4.5" (11.4cm) high-output, fiberglass cone woofers |
| enclosure material | MDF |
| enclosure type | Bass-reflex via dual front-firing ports |
| height | 11.5" (29.1 cm) |
| width | 12.75" (32.4 cm) |
| depth | 7" (17.8cm) |
| mounting | Dual Keyhole Brackets |
| weight | 11 lbs |
| finishes | Furniture Grade Wood Veneer available in Cabernet and Espresso |
